

COMPUTER OWNER'S FORENSIC INTAKE AGREEMENT

The computer owner's signature below indicates (s)he swears to be the owner or duly authorized representative of the owner of the computers covered by this agreement and hereby acknowledges and agrees as follows:

1. I understand I have the right to refuse the services listed herein, and hereby voluntarily consent to and approve forensic computer intake services on my computer(s) as provided by KBSolutions Inc. in accordance with criteria stipulated by the Probation Department of the State of Colorado, treatment providers, and this document.
2. KBSolutions will catalogue and examine computer(s) and related equipment accessed by _____ ("User") and located at _____.
3. KBSolutions will utilize EnCase® or similar forensic software to view and/or image my entire computer and related equipment and inspect the computer or image for any and all evidence of computer use or stored material prohibited by law, conditions of probation, treatment contracts, computer use agreements, or court order regarding the above named User.
4. KBSolutions will utilize specialized software to remove any inappropriate or unauthorized material from User's computer and "clean" slack space and unallocated space on the hard drive(s).
5. KBSolutions may install Spector® , E-Blaster® , or similar computer monitoring software on my computer(s). I understand such software captures all computer activity of anyone using the computer. I understand the computer use is monitored for retrieval by probation officers, treatment providers, or KBSolutions in accordance with established conditions of probation or treatment. I further understand and agree that information gathered by said computer intake or monitoring software may be used against any users of my computer in subsequent court actions regarding their computer use.
6. I hereby agree to notify all users of the computer that their usage is monitored and they should have no expectations of privacy concerning their computer use or information stored on the computer. I further hereby agree to notify all users of the computer that its use for private conversations with third parties, which would be recorded by said monitoring software, could be a violation of law if the user does not notify the participant in the conversation that their private conversation is being recorded. Such private conversations include instant messaging and/or chat room participation. I further agree to hold KBSolutions harmless for any direct, indirect, incidental, special, or consequential damages whatsoever as a result of any actions taken by the justice system or treatment providers which are based wholly or in part on the information gathered by the intake and/or the monitoring/filtering software on my computer(s).
7. I understand the software utilized during this process are commercially available software applications installed and utilized on computer systems nationwide. While there are no known conflicts or defects in these software packages, I indicate by my signature below that I accept all responsibility and risk for the computer intake and software installation and use on my computer(s). Further, I agree to hold harmless the Probation Department, treatment providers, and KBSolutions Inc. for any direct, indirect, incidental, special, or consequential damages whatsoever, including but not limited to, loss of revenue or profit, lost or damaged data, or other commercial or economic loss as a result of the computer intake and/or use of the monitoring software.
